Issues

1. Is the Requestor eligible for Medical Fee Dispute Resolution pursuant to 28 Texas Administrative Code §133.305 and §133.307?

Findings

1. This dispute was filed at the Texas Department of Insurance, Division of Workers' Compensation (Division), Medical Fee Dispute Resolution section on March 05, 2012 for resolution pursuant to 28 Texas Administrative Code §133.307.

28 Texas Administrative Code §133.305 (a)(4) defines a Medical Fee Dispute as "A dispute that involves an amount of payment for non-network health care rendered to an injured employee (employee) that has been determined to be medically necessary and appropriate for the treatment of that employee's compensable injury." Non-network health care is defined in Section (a)(6) of the same rule as "Health care not delivered, or arranged by a certified workers' compensation health care network as defined in Insurance Code Chapter 1305 and related rules..." 28 Texas Administrative Code §133.307 (a)(1) similarly states that "This section applies to a request for medical fee dispute resolution for non-network or certain authorized out-of-network health care..." Therefore, pursuant to 28 Texas Administrative Code §133.307, the Divisions Medical Fee Dispute Resolution section may not address fee disputes involving health care delivered, or arranged by a certified network as defined by Insurance Code Chapter 1305, but may resolve disputes involving certain authorized out-of-network health care.

Out-of-network health care is defined in Insurance Code Chapter 1305, section 1305.006 titled Insurance Carrier Liability for Out-of-Network Health Care. Explanation of benefits indicates that the Provider is not within the Liberty Health Care Network. No documentation was found to support that the health care in dispute is authorized, out-of-network health care pursuant to Insurance Code Chapter 1305. Therefore, the dispute may not be resolved pursuant to 28 Texas Administrative Code §133.307, and Medical Fee Dispute Resolution is not the appropriate venue for resolution of the dispute filed by the requestor.

Conclusion

For the reasons stated above, the Division concludes that Medical Fee Dispute is not the appropriate venue for resolution of the issued raised by the requestor. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
